

REMARKS

This Amendment is filed after the Notice of Allowance and Fee(s) Due was mailed July 29, 2009.

In the above Notice, the Examiner indicates claims 1, 6, 10, 14, 17 and 18 are amended by the Examiner's Amendment by adding the following wherein-clause to the claims:

wherein the radio network controller is configured to control a handover between logical cells based on said data indicative of the load situation of the logical cell.

However, Applicant notes that claims 10 and 17 which are dependent upon claims 1 and 14, respectively, do not need to be amended by adding the above wherein-clause since their base claims are already amended by the same wherein-clause.

Thus, Applicant respectfully submits that only claims 1, 6, 14 and 18 should be amended by adding the above wherein-clause.

Entry and consideration of this Amendment are respectfully requested.

Respectfully submitted,
